“Charity begins at home”

The proverb "charity begins at home" is often mistaken for scripture. The Bible does emphasise the importance of helping those nearest to us but was popularised in the 17th century by Thomas Fuller, a British clergyman and historian. Fuller's meaning however is often misinterpreted. He didn't mean that we should only help those near to us. His full text states: "Charity begins at home, but should not end there". Charity, of course, involves giving (giving donations or our time etc) and taking (being able to accept the offered help or requesting help for others) and at Christ Church, we are lucky enough to have a committee which enables just this!

We all have our favourite charitable organisations, ones which are held dear or are favourites to us for a whole variety of reasons. Maybe we fund raise for them because they have supported us or a family member, in our 'hour of need', or you have been touched in some way by their good works. Did you know that if you would like your charity to be considered for extra support (usually between £100 and £500), you can apply to the Outward Giving Committee at Christ Church, Shamley Green?

Each year, a proportion of the total donations kindly made throughout the year to our church, are donated to the Outward Giving Committee. The committee then have the task of considering the charity, investigating their background and the connection to any parish members who may have applied for support.

As the adage goes, charity does begin at home, and we have, indeed over the years supported many, many UK based charities, but in addition, we have also been approached by international (non Christian) charities as well as Christian ones, and, thanks to the generosity of our Parishioners, have been able to offer support, by way of many thousands of pounds worth of donations over the years.

Here are a small sample of the charities who have benefited from YOUR kind donations - thank you for your generosity.

Step by Step *Working across six southern counties, including Surrey, to combat youth homelessness, taking a unique step by step approach, providing accommodation, personal development opportunities and specialist support services.*

Lordshill Playground *to support the replacement of play equipment which has had to be removed due to wear and tear and safety concerns*

Phyllis Tuckwell Hospice *In acknowledgement both of the high incidence amongst parishioners and of the support provided by the hospice nurses in the community as well as in response to the building of a new hospice.*

The Leprosy Mission *- a global Christian organisation leading the fight against leprosy in 28 countries, working to end the transmission of the disease and working with people affected by leprosy.*

Christian Aid - a global movement of people, churches and local organisations

The Children's Society - empowers young people to make positive changes and rediscover their hope.

Oakleaf - a Guildford based mental health charity working to transform lives and build new futures for adults managing their mental health.

We really are very fortunate to have such an asset available to us in our community, so do bear it in mind next time you're giving in church, or applying for a donation for your preferred charity - all applications will be given full consideration.

Here are some of the comments we have received in a few of the Thank You letters we have received from some of the charities we have supported :

By choosing to support us, you've done something truly life-changing for thousands of children.

Thank you for making a difference. Your support will help us support people to make memories and have a life that is safer and happier.

Thank you so much for choosing to support Mercy Ships. Please pass on our heartfelt thanks to your community for your love and support.

The committee meets in November each year, so if you hold a charity close to your heart, for a personal reason, please contact Christ Church Outward Giving committee (email pccsec@shamleygreen.church) we would be delighted to consider your application.

Burial: we committed to the earth with our prayers Myra Secombe on 20th April and Mavis Micklethwaite on 8th May.

Annual Meetings

At the Annual Meeting of Parishioners, held on 28th April 2024, two Church Wardens were elected, Margaret Goodchild and Penny Hodgson. Following this meeting the Annual Parochial Church Meeting was held, during which the Electoral Roll was presented together with the Annual Report and the Treasurer's Report, including the accounts for the year ending 31st December 2023.

Donations to the church

As with many other organizations, charities and businesses, our income is not keeping up with our outgoings. A big thank you to all our donors who continue to support us with regular and one-off donations. If you would like to join them, you can make one-off contributions via our website www.shamleygreen.org or direct to our Shamley Green Parochial Church Council Donations Account: Acc. No. 30638712 Sort Code 60-06-19. If you would like to know how you can support our village church through regular donations by standing order, through a legacy or how to increase the value of your donation by Gift Aid, please contact one of the following:

our Treasurer Tony Robinson (01483 229141; tonyandmandy@btinternet.com).
or our Planned Giving Officer Nick Russell-Davis (01483 890719; nrusselldavis@compuserve.com).

Christ Church – Fundraising Appeal for Electrical Work

Our Appeal for the unforeseen expense of £40,000 is now finished. The cost of the work came to £38,000, including all remedial work. We are very grateful for all the generous donations received and in addition for some monies from fund raising events. With these donations, together with funds from a legacy, we are pleased to tell you that all the costs of the work were covered.

Christ Church had its own very committed team and the success of the project owes much to their hard work and effort, for which the Parochial Church Council (PCC) is extremely grateful.

None of this could have happened without the financial means to undertake the work and for this the PCC is very appreciated of all those who have given so generously, especially at a time when many are suffering hardships. Thank you very much.

Margaret Goodchild and Penny Hodgson (Churchwardens)

Fun for all the family. Crafts, games, singing, stories, and of course cake!

International Organ Day

On **Saturday 20th April**, we Celebrated **RCO International Organ Day** at Christ Church, Shamley Green with 54 people ‘dropping in’, requesting their favourite music and hymns and many of those having a go on the organ. We raised £118.50 in donations towards the electrical fund and congratulations to Roger Penny for winning the competition who came very close to the actual number of pipes in the organ at Christ Church which has 668 pipes! Huge thanks to those who gave of their time to welcome visitors and provide refreshments: Joelle and Trevor Tamraz, Elizabeth Holtom, Sue Cory-Wright, John Page, Christine Curley, Nick Russell Davis, Margaret Goodchild for all her help and support with the event, and to Alison Harding for making her delicious cookies. A very jolly day indeed celebrating our wonderful organ that we have at Christ Church and great to have some young people on the organ bench. The most requested pieces by far were *Toccata and Fugue in D minor, BWV 565* by J. S. Bach and *Toccata from Symphony No.5 (the “Widor Toccata”)* by Widor.

We're celebrating **RSCM Music Sunday on Sunday 9th June** at Christ Church where **YOU** get to choose the Preludes, Communion Interlude and Postlude played at the 10am Sung Communion service. **See page 15 for more details!**

Shamley Green Environment Group Activities 2024

The Environment Group works with the Parish Council but also manages a few activities of its own. Here are ten things we are doing in 2024:

- Collecting and publishing evidence of progress (or otherwise) made in insect and butterfly prevalence and plant species following changes to the mowing pattern on the Greens that were based on SGEG advice.
- Publishing wildflower diaries reflecting the changing seasons.
- Trialling biological means to remove Azolla from the Bricklayers Pond and continuing efforts to stabilise water levels on the Duck Pond.
- Helping the Parish Council to care for trees on the Commons that they manage, including those planted using SGEG funds.
- Planting more bulbs in the autumn.
- Organising spring and autumn litter picks to supplement those already underway in the village.
- Rescuing hundreds of amphibians from the roads during their breeding season and publishing the trends.
- Encouraging swifts to nest and monitoring bird species in the village and its surrounds.
- Liaising with the village schools and supporting their environment work, encouraging village participation in national initiatives to promote the environment such as counting bird numbers, reducing plastic usage, and reuse and share.
- Encouraging volunteers to help with all of our activities.

If you want to know more, please visit our website

<https://www.shamleygreenenvironment.co.uk>.

We have active groups on mowing, trees, amphibians, litter, wildflowers, birds. If you would like to join any of these groups, please contact us on info@shamleygreenenvironment.co.uk. The only criteria are enthusiasm for the environment and enjoying teamwork!

Shamley Green Gardening Club

The weather gods (and goddesses) were certainly shining on the club for the first evening visit in 2024. After the downpour of the previous day the clouds cleared, and a warm and sunny evening was spent at the Manor of Dean in Tillington. This 16/17 C house has been owned by the current family since the late seventeen hundreds and the surrounding 3-acre garden is still being developed by the current family. Members enjoyed a walk through woodland full of lovely rhododendrons and azaleas (being careful to avoid the local bee colony that had decided to swarm that day!), an old walled garden and colourful spring borders before enjoying a glass of wine while overlooking the stunning views of the Sussex downs.

POPPY APPEAL

After 17 years I have to give up as your Poppy Appeal Organiser (PAO). Shamley Green needs a replacement. Isabel and I are moving from Shamley Green to Bristol to be nearer to our grandchildren and it is likely that I will be gone before the next Poppy Appeal.

Much has changed over the years. Thanks to your generosity, the value of the annual donations has steadily increased while the work load for the PAO has decreased. Our collectors and collection outlets have reduced from about 40 to half a dozen. That means less time spent preparing and processing 40 Poppy Trays and cash tins. We no longer have collectors for every street and house from East Whitley to Blackheath. With the end of house to house collecting, post Covid and the decline of petty cash in circulation - just half a dozen Retailers, Schools and Pubs and, of course, the Church, are doing all the good work of collecting in the centre of Shamley Green. Increasingly the contactless collection is overtaking the cash donations - which had to be physically counted, bagged and paid in – all very time consuming. I suggest the role of PAO is best divided between a small team rather than a single person unless we have a gallant volunteer to take it all on ! The sub roles could be “Remembrance Sunday”; Treasurer; Merchandise; and Distribution. We will still need one person to be nominated PAO and the main point of contact with the Royal British Legion.

It has been a real privilege and pleasure to be your PAO. Your wonderful support over the years is much appreciated. I would like to see the Poppy Appeal in safe hands before I go. If you know anyone who might like to take on any of these roles, I would be most grateful to hear from them. Best wishes, Robin Oliphant robinoliphant@btinternet.com

SHAMLEY GREEN HISTORY SOCIETY

An audience of over 50 enjoyed an illustrated talk on Arts and Crafts Architecture on Thursday, 25th April at the Arbuthnot Hall. Carolyn Smith, Chairman of The Arts and Crafts Movement in Surrey, began by giving some background on the arts and crafts movement which favoured hand-crafted building methods and traditional local materials. The site and garden were also important factors and Gertrude Jekyll played a large part in garden design.

Carolyn then showed many illustrations of local houses by the best-known arts and crafts architects, Edwin Lutyens, Richard Norman Shaw, Hugh Thackeray Turner, Charles Harrison Townsend, C.F.A. Voysey and Mackay Hugh Baillie Scott. The Arbuthnot Hall itself was designed in 1904 for Elinor Arbuthnot by Charles Harrison Townsend who also worked on other local buildings including St. Martin's Church at Blackheath.

Philip Dunn, Chairman of the Shamley Green History Society, thanked Carolyn for her most interesting talk; he commented on how fortunate we were to have so many examples of arts and crafts buildings in Surrey by some of the most influential architects. The next meeting is on Wednesday, 26th June when Nick Bale will give an illustrated talk on William Harvey and the Guildford ladies wear specialist shop.

News & Events from Womersley & Shamley Green C of E Primary School

The children have been enjoying a busy school life. We have had a House Poetry Performance Competition, a maths competition at St Catherine's School, a trip to Juniper Hall and lots of sports fixtures including netball and football against Tillingbourne, Long Acre and Park Mead.

The children and families are very excited about our Wild Run. We are raising money for an outdoor Forest School Lodge by organising an animal themed fun run on Sat 11th May. Children (siblings and parents too!) will be walking or running around a planned route for 45 minutes dressed as their favourite animal!

Also, as part of our commitment to the children being regularly active, we ask the children to 'run the world'. At different times during the day, classes of children take a break from their learning and run a lap or two around our running track.

The Sports Leaders count how many laps have been run in total by the whole school and we plot on a world map how far we have run. Over the past year we have been trying to run from the North Pole to the South Pole through the Americas. So far we have run 9644 miles and we are currently in Nicaragua! This long term initiative has now been recognised with an award for the school. Well done everyone!

Notes for Contributors

All articles should be emailed to the editor at mageditor@shamleygreen.church by the 9th of the previous month. If this is not possible please contact the editor, Christine King on 537608, for individual negotiation.

Articles should be submitted as follows:

- In Arial font (easy to read)
- Size 10pt for text and 14pt for heading
- Justified both sides for text
- Centred and **bold** title (mixed case)
- Any tables should be discussed with the editor, as these do not always transfer to Publisher
- Original MS Office documents preferred to '.pdf's, which may distort when resized
- Photographs in .jpeg format and should not exceed 2 megapixels

You or the organisation you represent must hold the copyright to the image, i.e. you or they own it: unless told otherwise we will assume that you/they do so.

Please include photos where possible to grab readers' attention!

Adverts

Please contact Karen Anderton (details inside front page). Please email us 'camera-ready' adverts in .pdf, .jpeg or .doc format after agreeing fees with Karen.

NEIGHBOURHOOD WATCH

The main issue remains lack of reporting minor crimes, please help support our village and ensure you report issues and not ignore them. This can be done in confidence to Surrey Police on:

101 (the national non-emergency number) or
<https://www.surrey.police.uk>

As always in an EMERGENCY dial 999

If you want to give information about a crime or criminal activity without giving your name you can call the independent charity: **Crimestoppers on 0800 555 111**
